

## *Calvary Chrismon Service*

Sunday, November 29, 2009

6 p.m.

We worship and celebrate through the Christmas decorations of our sanctuary.

We begin the Advent and Christmas Season by singing "Joy to the World" as we light the Chrismon Tree.

Chrismons are tree ornaments that take the shape of religious symbols. These are placed on the tree that will be on display in the downstairs vestibule during the Christmas season. Poinsettias, candles, and greenery are also displayed in this service as various choirs of all ages provide special music and the congregation joins in carols of Christmas.

### ***Christmas Card Delivery***

You may send Christmas cards to current local church families, including our shut-ins and those in rest homes. Place your fully addressed cards in the box located in the downstairs hallway between November 29th and December 13th. Please include a contribution for our mission offering. This is a nice way to wish our church families and friends Christmas blessings.
